

# CYCLING FOR SEAFARERS

8th ANNUAL

Saturday Sept. 19, 2015

Support our bicycle ride event to raise funds  
and help us reach our \$60,000 goal!

Don't miss this fun filled day and the opportunity to raise funds for the Mission to Seafarers. Cycle one of two new routes: 40km or 100km. Both routes start from the Mission with the shorter ride terminating at Seaspan Marine in North Vancouver where the Seaspan tugs and the yachts of the RVYC await your pleasure for the trip back to the Main Street Docks. The 100km route heads off to Steveston and back via a rather circuitous route ending back at the Mission to join in the BBQ festivities.

Route maps, snacks and a sag wagon are provided for your direction, comfort and safety. You do not have to be an avid cyclist to participate, just a person with a big heart and a willingness to make a difference. You can do it, so come on out and have a great ride while supporting a ministry that reaches across the seas and embraces the world! As always, your registration fee of \$350 includes one item of cycling swag.

Also included is insurance for the day, a new group of friends, a cruise across the Harbour (40km group) great food and wonderful music - it just doesn't get any better!

Caring for seafarers  
around the world
