ANGLICAN CHURCH OF CANADA

Nominations for Elections at the 122nd Session of Diocesan Synod – May 12 & 13, 2023

TO: Clergy, Members of Diocesan Council, and Lay Delegates to Synod

Dear Friends:

We ask you to put forward nominations for the positions below to which people will be elected at Synod.

Our hope is to have our diocese's many forms of diversity reflected in its leadership, and to have a robust list of candidates from which to choose. We encourage you to consider especially those who possess the necessary gifts but may not yet have had the chance to serve in a diocesan capacity.

We invite parish clergy to meet with their Church Committee and to look within their parish to identify suitable nominees for this ministry in our diocese. Note that the nominee is required to consent to the nomination in writing.

This year we are asking that each nominee provide a **more detailed biography** and if possible; a passport style **photograph**. We hope that this will help people identify the candidates and offer a more informed choice. We ask that nominees fill out the Biography section on reverse side of the **Nomination Form**.

Elections will take place on **Saturday, May 13, 2023**. Though nominations may be submitted until the Close of Nominations on **Friday, May 12, 2023 at 2:00 pm**, in order that biographies can be distributed to Synod Delegates before proceedings begin, we strongly urge you to please submit these by April 28, 2023. Nominations submitted after that time may appear in the Synod materials by name only.

Updated lists of nominees will be posted on the diocesan website and as a part of the delegate registration package. A full list of nominees will be announced at Synod after the Close of Nominations.
